Dear Jim,

I'm writing to thank you for your handling of the sale of our property at 7 Juttledore Place, Gosleburn.

We appreciate the accuracy of your professional advice in arriving at the appropriate selling price and your management of the very successful marketing campaign which achieved our sale in such a short time.

We were directed to you by a personal recommendation from a previous client of yours and we are extremely happy with the outcome of our association. We would recommend you with absolute confidence, to anyone considering engaging an agent.

We aren't certain what negotiation skills you brought to bear, but our buyers said we had "the right man on the job."

Thank you again

Regards

Evelyn & Allan Shannon
